Travelers commonly forget the following items.

- Power bank
- Charging cable
- ID proof
- Prescription medicines
- Sunglasses
- Raincoat
- Reusable water bottle
- Phone charger
- Cash
- Emergency contacts

9. Packing Tips

- Pack heavy items at the bottom of the bag.
- Keep frequently used items easily accessible.
- Roll clothes instead of folding to save space.
- Use packing cubes for organization.
- Carry reusable water bottles.
- Keep electronics in waterproof pouches.
- Pack only what is necessary.

10. Things to Avoid Carrying

- Excessive cash
- Valuable jewelry
- Too many shoes
- Unnecessary gadgets
- Perishable food

- Glass bottles
- Heavy luggage for short trips

11. Frequently Asked Questions

Q: What should I always carry on a road trip?

Carry identification documents, chargers, water, first aid supplies, emergency contacts, and appropriate clothing for the weather.

Q: Should I carry original vehicle documents?

Carry legally accepted documents. Digital copies in DigiLocker may be accepted where applicable, but travelers should verify local requirements.

Q: What should I pack for a mountain trip?

Warm clothing, trekking shoes, rain gear, flashlight, medicines, water bottle, and power bank.

Q: What is the most commonly forgotten travel item?

Phone chargers, power banks, ID cards, medicines, and sunglasses.

Q: How much clothing should I pack?

Pack according to trip duration and expected weather, while avoiding unnecessary luggage.
